Property Award Triumph for VinaLiving in Ho Chi Minh City

HO CHI MINH CITY - VinaCapital is proud to announce that on Friday August 14th, 2015, VinaLiving was the recipient of two awards at the inaugural Vietnam Property Awards 2015.

Held at the Intercontinental Asiana Saigon, organised by Ensign Media and supervised by BDO, the fifth largest accountancy firm in the world, this was the first event of its kind in Vietnam.

Acknowledging excellence in location, construction, design and innovation, the annual awards recognise industry professionals who plan and construct quality new developments. On offer were 21 prizes across 4 categories for the best developer, development, and design, followed by the "best of the best" category.

VinaCapital was recognised in both the categories it entered;

- **'Best condo development (resort)'** in Vietnam for The Ocean Apartments at Danang Beach Resort; and
- Highly commended award for **'Best Villa development (resort)'** in Vietnam for The Point at Danang Beach Resort.

"These two awards reaffirm VinaCapital as a recognized real estate development team, and verifies the superior standard of quality and expertise we bring to each project we are involved in. Our approach of offering buyers a product that meets international standards at a competitive price, under one master brand, sets VinaCapital apart from its competitors not only in Vietnam, but also across the region.", said David Blackhall, VinaCapital Real Estate's Managing Director.

Winners of the awards are now eligible to compete with regional peers in the grand finale at the fifth annual South East Asia Property Awards 2015, to be held at the Shangri La Hotel in Singapore in October 2015.
